Dear Ms. Kiser and Mr. Sukys:

With this letter, I am transmitting Administrative Modification No. 18 to California's 2006/07-2009/10 Federal Statewide Transportation Improvement Program (FSTIP), which makes a minor modification to the FSTIP. The funding for the State Highway Operation and Protection Program, Collision Reduction grouped project listing is increased by \$518,000 in Fiscal Year 2007/08 by programming a Nevada County project, EA 03-3E2301. This project installs median barriers on Route 80 between Hirschdale Road and Boca Bridge in Nevada County.

This change is submitted as an administrative amendment based on the following: 1) the change occurred within the quadrennial element; 2) the change to the total cost of the project did not exceed \$2 million or 20 percent; and 3) the amendment does not affect financial constraint. The project included in this amendment is exempt from the conformity determination per 40 Code of Federal Regulations Section 93.126, Table 2, or Table 3.

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this change has been amended into California's 2006/07-2009/10 FSTIP.

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

A handwritten signature in black ink, appearing to read "Muhaned Aljabiry".

Office of Federal Transportation Management Program
